# The 8th Society of Mining Professors Regional Meeting 2018

*Mining Development in Asia: Challenges and Opportunities for Asian Mining Education*

## BACKGROUND

Institut Teknologi Bandung will host The 8<sup>th</sup> Society of Mining Professors (SOMP) Regional Meeting 2018 with the theme 'Mining Development in Asia: Challenges and Opportunities for Asian Mining Education' through sustainable mining practices. The Society of Mining Professors is a vibrant Society representing the global academic community and committed to making a significant contribution to the future of the minerals disciplines.

The main goal of the Society is to guarantee the scientific, technical, academic and professional knowledge required to ensure a sustainable supply of minerals for mankind. The Society facilitates information exchange, research and teaching partnerships and other collaborative activities among its members.

The 8<sup>th</sup> SOMP Regional Meeting gives a platform to academics, researchers, government officials, professionals and other stakeholders an opportunity to interact, exchange and analyse the challenges and opportunities within the mining development.

Prior to SOMP Regional Meeting, an international symposium with the theme Mining in Asia: Current Status and Prospects will be conducted on on 25th July 2018.

The conference will be structured as follows:

- Mining in Asia International Symposium.
- The 8<sup>th</sup> SOMP Regional Meeting 2018.
- Field trip.
